# Marvell Honored with Prestigious Outstanding Leadership and Contributions Award by Wi-Fi Alliance® for Fifth Consecutive Year

## Marvell's continued support of Wi-Fi development and deployment across its expansive product offering enables the "Smart Life and Smart Lifestyle" of global consumers

SANTA CLARA, Calif., March 10, 2014 /PRNewswire/ -- Marvell (Nasdaq: MRVL) today announced that Marvell® has been honored with the prestigious Outstanding Leadership and Contribution Award by the Wi-Fi Alliance. This annual award recognizes a member company for its leadership contributions to Wi-Fi Alliance task groups and testing programs. Marvell is continually a driving force behind the steady design improvements in Wi-Fi connectivity and this year marks Marvell's fifth sequential recognition, underscoring the company's ongoing participation in Wi-Fi Alliance technology certification and development activities. Marvell's innovative Wi-Fi technology is a key foundation of its end-to-end "Smart Life and Smart Lifestyle" solutions including Internet of Things (IoT), Kinoma Create, Kinoma Connect software, 4G LTE mobile solutions, mobile storage, and other industry-leading products. Marvell received the award during the Wi-Fi Alliance Member Meeting, held March 4-6, 2014 in Singapore.

"It's such a great honor for Marvell to receive this prestigious award from the Wi-Fi Alliance for five consecutive years. I am very proud of our contributions in leading the industry in technology innovation and invention for over a decade and providing high performance, secure and robust wireless connectivity from carrier-grade infrastructure solution to mobile consumer products," said Weili Dai, President and Co-Founder of Marvell. "I would like to thank our talented and dedicated teams around the world for continually raising the bar of technology excellence and making positive impacts to the billions of consumers around the world. At Marvell it is our mission and passion to enable the 'Smart Life and Smart Lifestyle' and make the world a better place for all."

"We congratulate Marvell for once again receiving the Outstanding Leadership and Contribution award," said Wi-Fi Alliance Vice President of Marketing, Kelly Davis-Felner. "The time and talents of our member companies are the essential ingredient to continually deliver on Wi-Fi Alliance's vision for seamless connectivity."

The core portfolio of Marvell's wireless offering is centered on consistently delivering robust and leading-edge wireless solutions, such as advancements around 802.11ac, mobile Multiple Input Multiple Output (MIMO), NFC, Miracast, Bluetooth, GPS, and Zigbee. Marvell's award-winning advanced Avastar® product offering, includes 1x1, 2x2, 3x3 and 4x4 solutions, and is the foundation uniting Marvell's vast portfolio of industry-leading end-to-

end platform solutions — from mobile to digital entertainment to Internet of Things (IoT) Smart offerings.
