

Marvell Honored As Glassdoor Best Places To Work In 2023

SANTA CLARA, Calif., Jan. 13, 2023 /PRNewswire/ -- [Marvell Technology, Inc.](#) (NASDAQ: MRVL), a leader in data infrastructure semiconductor solutions, today announced it has received the prestigious Glassdoor Employees' Choice Award, honoring the top 100 [Best Places to Work in 2023](#) across the United States. Marvell ranked #22 on the list, earning the second highest ranking amongst semiconductor companies. The Glassdoor Employees' Choice Awards are based on the input of employees who voluntarily provide anonymous feedback on Glassdoor by completing a company review about their job, work environment and employer over the past year.

"This award is a testament to our culture and dedication to creating a collaborative, compassionate and respectful workplace," said Matt Murphy, Marvell's President and CEO. "At Marvell we take pride in creating an environment in which employees are able to thrive and advance in their careers, and this award is a reflection of that. I'd like to thank the Marvell team for making Marvell a great place to work."

Marvell has received a number of other awards for being a great workplace including, most recently, being honored with multiple Built In 2023 Best Places to Work awards.

- Built In San Francisco Best Large Places to Work (2023)
