Marvell Technology Group Ltd. Announces Deloitte & Touche LLP as New Independent Accounting Firm

SANTA CLARA, Calif., Feb. 23, 2016 /PRNewswire/ -- Marvell Technology Group Ltd. (NASDAQ: MRVL) (the "Company"), a global leader in integrated silicon solutions, today announced that the Audit Committee of the Board of Directors of the Company approved the engagement of Deloitte & Touche LLP ("Deloitte") as the Company's new independent registered public accounting firm to audit the Company's consolidated financial statements for its fiscal year ended January 30, 2016, and the effectiveness of the Company's internal control over financial reporting as of January 30, 2016.

In selecting a new auditor, the Audit Committee engaged in a competitive process and had discussions with several large accounting firms that the Audit Committee believed might be able to serve as auditor for a company of Marvell's size and complexity. In selecting Deloitte, the Audit Committee determined that Deloitte is best qualified to serve as the Company's independent registered public accounting firm because of its extensive experience with large U.S. multinational companies and the strength of its resources, including its national office.
