- 3.3 Searches of the Register of Companies at the office of the Registrar of Companies are not conclusive and it should be noted that the Register of Companies does not reveal:
  - 3.3.1 details of matters which have been lodged for filing or registration which as a matter of general practice of the Registrar of Companies would have or should have been disclosed on the public file but have not actually been registered or to the extent that they have been registered have not been disclosed or do not appear in the public records at the date and time the search is concluded; or

- 3.4 In order to issue this opinion we have carried out the Searches as referred to in the Schedule and have not enquired as to whether there has been any change since the date and time of the Searches.
- 3.5 In opinion paragraph 2.1 above the term “good standing” means that the Company has received a Certificate of Compliance issued by the Registrar of Companies.
